

## Grace Frame, Concise And Artistic Design

- Ultra thin frame design, perfect presentation
- Aluminum alloy frame, brief but not simple
- Big size LED display, fresh and natural image quality

## T Function

### Ultra thin body, elegant and honourable

Metal texture of aluminum alloy design, perfect appearance, exquisite and stable.

### FHD display, extraordinary quality

1920×1080 high-definition resolution, high brightness, high dynamic contrast, presenting shocking visual effect.

### Support mainstream video formats

Support AVI, MPBG4, WMV, FLV and other mainstream video formats.

### Intelligent OS

Centralized management, authorization management, safety management (file encryption, examination and approval procedure), monitoring management (online monitoring, log query and statistic analysis), system data access, and service integration.

### Multi-area display, free selection

Support the play of media contents such as video, image and texts in different areas, freely split screen for display, and display ads more accurately in diversified manners.

### Intelligent play

Receive media contents via network, play rich contents such as video, audio, image and text; store locally and support different play modes including cycleplay, intercut, timing play, and background play.

## T Parameters

Specification	55TN
<b>Display parameters</b>	
Panel size	55"
LCD type	LED
Bare dimension(mm)	700×540×1904
Packing dimension(mm)	962×672×2229
Power consumption	≤180W
Operating voltage	100V-240VAC,50/60Hz
Optimum resolution	1920×1080@60Hz
Viewing angel	178°, 178°
Brightness	500cd/m <sup>2</sup>
Contrast ratio	1400:1
Response time	12ms
Color	1.07B
Sound configuration	10W+10W
Program	Standard configuration of Android/PC (optional)
Touch	Standard configuration without touch
<b>External interface</b>	
Lan interface	×1
USB	×2

### Commercial company production line

Module production line

Commercial display product assembly line

Professional display product assembly line

### iSEMC commercial advantage

#### Screen resource

LGD PD general agent.  
Low-cost self-produced screen.

#### Factory manufacturing

Reliable quality.  
Assembly professional production.  
Meet differentiated needs.

#### Technical services

Complete range of products.  
Meet differentiated needs.

#### Cooperation mode

Focus on OEM, low marketing costs.  
Flexible and diverse.
